

Strategy and Synergy for Security

SOCIETY FOR ELECTRONIC TRANSACTIONS AND SECURITY (SETS)
(Under O/o Principal Scientific Adviser to the Government of India)

**MGR Knowledge City, CIT Campus, Taramani,
Chennai - 600 113, Tamil Nadu, India**

Advertisement No. SETS/Chn/Rec/2023-24/17 Date: 9th November 2023

Society for Electronic Transactions and Security [SETS] is a Society under Societies Registration Act, XXI of 1860, dedicated to carry-out Research and Development in the field of Information Security focusing on the key verticals, namely, Cryptology and Computing, Hardware Security, Quantum Security and Network Security.

On-line applications are invited from enthusiastic Indian researchers having excellent academic record and proven scientific achievements along with requisite experience and a high degree of motivation and desire to take up research and development as a career in the field of Information Security focusing on the key verticals, namely, Cryptology and Computing, Hardware Security, Quantum Security and Network Security to fill up the posts of **Senior Scientist - Stage-13 (Equivalent to Level-14 of 7 CPC Pay) on Direct Recruitment Mode** as detailed below:

A. Post Code: 2023-13-001

B. Number of Position: One

C. Age Limit: 50 years

D. Total Remuneration: Rs. 2,85,771/- Approximate in the basic of Rs. 1,44,200/-

E. Essential Educational qualification:

- (i) B.E./ B.Tech. with 60% or above marks or equivalent CGPA in Electronics and Communication/ Computer Science and Engineering/ Information Technology/ Information Systems

(OR)

- (ii) Master's Degree in Computer Science or Mathematics or Statistics with 60% or above marks

F. Desirable Qualification

- (i) M. E. / M. Tech. / Ph. D. (Engineering) in Electronics and Communication/ Computer Science and Engineering/ Embedded Systems / VLSI Design/ Information Security/ Signal Processing

(OR)

- (ii) Ph.D. in Mathematics/ Statistics/ Electronics and Communication/ Computer Science/ Information Security/ Quantum Computing and Communication

G. Work Experience Required

Candidates with 20 years of related experience in Cybersecurity, Cryptology/ Hardware Security/ Quantum Security/Network Security.

(and)

Candidates should possess Research & Development experience and Solid foundations in cryptography and cyber security and related areas.

(and)

Must have Lead R&D projects as Chief/Principal Investigator; product development, designed and field deployed cyber security solutions/ products; Prepared and Implemented R&D Proposals.

(and)

High impact Publications/Patents in any of the following areas:

- Cryptology including Post Quantum Cryptography, Cryptanalysis
- Hardware security including side channel analysis and hardware and firm security analysis and testing
- Quantum Security (Quantum Information, post key processing, Quantum Cryptography QKD, QRNG, Quantum Networks and implementation experience), FPGA based design and implementation of cyber security solution
- AI for Cyber Security (AI/Machine Learning and Cyber Security Interplay, AI based solutions for network security, Differential Privacy)
- Network Security (Zero trust architecture (ZTA), Blockchain for Cyber Security, Malware/ Ransomware Analysis, IOT and 5G/6G Security, Cloud Security PKI Infrastructure/ CA software, Virtual Private Network and Threat Management System, Security event management solutions)

(and)

Experience in preparation of Technology foresight & Roadmap, R&D Management, R&D Coordination, establishment of cyber security labs/facilities, contributions to mission mode projects, Productization & Commercialization, Intellectual Property, Technology Transfer.

H. Desirable Experience / Skill sets

- Candidates should be creative, innovative and a recognized scientist/technologist having a demonstrated leadership and management qualities for carrying out multi-disciplinary collaborative R&D with academia/industry/government R&D organizations.

I. Equivalent Work Experience for Higher Qualifications

In case of candidates with higher qualification as per essential qualification equivalent work experience in lieu of higher degree is as follows:

- 2 years for Master's degree in Engineering & Technology
- 3 years for Doctorate in Mathematics/Statistics/Computer Science
- 4 years for Doctorate in Engineering & Technology

These post carry Pay and allowances as per SETS Recruitment and Assessment Rules (RAR), 2017.

The initial appointment will be made for a period of five years, on contract basis, with probation of one year.

J. General Conditions.

- a) The applicant must be a citizen of India.
- b) All applicants must fulfil the essential requirements of the post and other conditions stipulated in the advertisement as on the closing date of on-line application. They are advised to satisfy themselves before applying that they possess the essential qualifications laid down for various posts as on the closing date of on-line application. No communication in regard to eligibility will not be entertained.
- c) The prescribed essential qualifications are minimum and mere possession of the same does not entitle candidates to be called for interview. The duly constituted screening committee will adopt its own criteria for short-listing the candidates. The candidate should therefore, mention in the application all the qualifications and experiences in the relevant area over and above the minimum prescribed qualification, supported with documents. Completion of Ph.D degree will be reckoned from the date of issue of provisional certificate/notification.
- d) The application should be accompanied by self-attested copies of the relevant educational qualification, experience etc. The prescribed qualifications should have been obtained from recognized Universities/Institutions etc. Incomplete applications (or) applications not accompanied with the required certificates/documents are liable to be rejected.
- e) In respect of equivalent clause in essential qualification, if a candidate is claiming a particular qualification as equivalent qualification as per the requirement of advertisement, then the candidate is required to produce supporting documents in this regard, indicating the authority (with number and date) under which it has been so treated otherwise the application is liable to be rejected.
- f) The period of experience rendered by a candidate on part time basis, daily wages, (visiting/guest faculty) will not be counted while calculating the valid experience for short listing the candidates for interview.
- g) The date for determining the upper age limit, qualifications and /or experience will be the closing date of on-line application i.e. 15.12.2023.
- h) The period of experience in a discipline/area of work, wherever prescribed, shall be counted after the date of acquiring the minimum educational qualifications prescribed for that Grade.
- i) Only outstation candidates called and found eligible for interview will be paid/restricted to and fro single second AC class rail fare from the actual place of undertaking the journey or from the normal place of his/her residence whichever is nearer to Chennai on production of Rail Ticket Numbers or any other proof of journey.

- j) Any discrepancy found between the information given in application and as evident in original documents will make the candidate ineligible for appearing in interview. Such candidate will not be paid any fare.
- k) The decision of the SETS in all matters relating to eligibility, acceptance or rejection of applications, mode of selection, conduct of examination/interview will be final and binding on the candidates.
- l) Canvassing in any form and/or bringing any influence political or otherwise will be treated as a disqualification for the post.
- m) NO INTERIM ENQUIRY OR CORRESPONDENCE WILL BE ENTERTAINED
