## Special Conditions

### (Borewell Drilling )

#### **I. General**

1. It is deemed that the Contractor / Bidder visited the site and understood the scope of work before quoting.
2. The Contractor may have to carry out the work on Holidays/ Odd hours without affecting the traffic/ vehicular movement.
3. All safety and security measures are the responsibility of the contractor. The contractor should not cause any damage to the existing structures, underground cables etc.
4. The Electrical power supply shall be provided by SETS free of cost. The supply point will be provided only in one location. The contractor shall bring suitable extension board, cable etc. The power supply shall be drawn only for the purpose specified in the work order.
5. The contractor after completion of the work shall clear all the construction debris. Stack the balance materials neatly at the site as directed by the E I C or his authorised representative(s).
6. The contractor has to make his own arrangement for food and shelter to his staff and workers.
7. The payment will be only for actual work done, not for the total Amount quoted.

#### **II. Payment Terms**

1. No Advance payment will be done before starting the works.
2. 100% payment will be made after satisfactory completion of the entire stipulated work. The bill shall be paid within 10 days after the Performance clearance certificate from the E I C, which is final and binding on you.
3. The contractor must provide GST number and Bank account details of the company/firm.
