**FORM OF AGREEMENT & GENERAL
RULES OF CONTRACT AND DIRECTIONS
FOR GUIDANCE OF THE CONTRACTOR
AND ITEM RATE TENDER FOR WORKS**

**FORM OF AGREEMENT AND GENERAL RULES OF CONTRACT
AND
DIRECTIONS FOR THE GUIDENCE OF CONTRACTOR**

**ITEM RATE TENDER AND CONTRACT FOR WORKS
(CENTRAL P.W.D. CODE, PARAGRAPH-95)**

1. All works proposed for execution by contract will be notified in a form of invitation to tender pasted in public places and signed by the Officer inviting tender or publication in newspapers as the case may be.
This form will state the work to be carried out as well as the date for submitting and opening tenders and time allowed for carrying out the work, also the amount of earnest money to be deposited/ bid security declaration to be submitted along with the tender, and the amount of security deposit to be deposited by the successful and the percentage, if any to be deducted from the bills. Copies of the specification, designs and drawing for the purpose of identification by the Officer inviting tender shall also be open for inspection by the Contractor at the Office of the Officer inviting tender during office hours.
2. In the event of the tender being submitted by a firm, it must be signed separately by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding a power of attorney authorizing him to do so, such power of attorney to be produced with the tender and it must disclose the firm is duly registered under the Indian partnership Act.
3. Receipts for payment made on account of a work, when executed by a firm, must also be signed by all the partners except where the contractors are described in their tender as a firm, in which case the receipts must be signed in the name of the firm by one of the partners or by some other persons having due authority to give effectual receipts for the firm.
4. Any person who submits a tender shall fill up the prescribed form, stating at what rate he is willing to undertake each item of the work. Tenders, who propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contains any other condition, of any sort, including conditional rebates will be summarily rejected. Tenders shall have the name and number of the work to which they refer written outside the Envelops.
The rate(s) and amount(s) must be quoted in decimal coinage both in words and figure.
5. The Officer inviting tender or his duly authorized assistant will open tenders in the presence of any intending contractors who may be present at the time, and will enter the amounts of the several tenders in a comparative statement in a suitable form.
In the event of tender being accepted, a receipt for the earnest money forwarded therewith shall there upon be given to the contractor who shall thereupon for the purpose of identification sign copies of the specifications and other documents mentioned in Rule – 1. In the event of a tender being rejected, the earnest money forwarded with such unaccepted tender shall thereupon be returned to the contractor marking the same, without any interest.
6. The Officer inviting tenders shall have the right of rejecting all or any of the tenders, and will not be bound to accept the lowest tender or any other tender.
7. The receipt of an accountant or clerk for any money paid by the Contractor will not be considered as any acknowledgement of payment to the Officer inviting tender and the Contractor shall be responsible for seeing that he procures a receipt signed by the Officer inviting tender or duly Authorized Accounts Officer/Cashier.

8. The tenderers shall sign a declaration under the Official Secret Act 1923, for maintaining secrecy of the tender documents drawing or other records connected with the work given to them. The unsuccessful tenderers shall return all the drawings given to them.
9. In the case of Item Rate Tenders, only rates quoted shall be considered. Any tender containing percentage below/above the rates quoted is liable to be rejected. Rates quoted by the contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figure and words. However, if discrepancy is found, the rate which correspond to the amount worked out by the contractor shall unless otherwise proved be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally but the amount is not worked out correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount. **In event no rate has been quoted for any item(s), leaving space both in figure(s), words(s), and amount blank, it will be presumed that the contractor has included the cost of this/these item(s) in other items and rate for such item(s) will be considered as zero and work will be required to be executed accordingly.**
10. Other than filling in rates and amounts in the schedule of quantities, no additions, alterations made in the tender document and if any such additional/alteration are made the tender is liable to be rejected. Remarks and explanations if any should be set out in a covering letter and will become part of contract only if specially accepted in writing by the Officer in charge at the time of acceptance of the tender.
11. In case of any tender where unit rate of any item / items appears to be unrealistic, such tender will be considered as unbalanced and incase the tenderer is unable to provide satisfactory explanation, such tender is liable to be disqualified and rejected.
12. All rates shall be quoted on the tender form. The amount for each item should be worked out and requisite totals given. Special care should be taken to write the rates in figures as well as in words and the amount in figures only, in such a way that interpolation is not possible. The total amount should be written both in figures and in words. In case of figures, the word 'Rs' should be written before the figure of rupees e.g. Rs. 2.00 and in case of words, the word, 'Rupees' should precede. While quoting the rate in schedule of quantities, the word only should be written closely following the amount and it should not be written in the next line.
13. On acceptance of the tender, the name of the accredited representative(s) of the contractor who would be responsible for taking instructions from the Scientist / Civil Engineer / Electrical Supervisor shall be communicated in writing to the Scientist / Civil Engineer / Electrical Supervisor.
14. GST and all other Taxes on material in respect of this contract shall be payable by the Contractor and SETS will not entertain any claim whatsoever in respect of the same.
