

WORKSHOP ON TECHNOLOGY TRENDS IN CYBERSECURITY WORTICS 2026

24th June 2026 Wednesday

Time	Topics	
9:30 - 10:15	Theme 1 Building Cyber Resilience with Protected Privacy	
	Dr Rakesh Kaur	Adviser/Scientist 'G' O/o Principal Scientific Adviser to the Government of India
	Shri.Kanthanathan	Senior Consultant, IITM , Pravartak
	Smt. Preethi K	Scientist - C SETS, Chennai
10:15 - 11:00	Theme 2 "Quantum Security: Innovation to Impact"	
	Prof. Anil Prabhakar	Professor, Dept. of Electrical Engineering, IIT-Madras
	Shri. Ravindra Barlingay	Chief Executive Officer IITM C-DOT Samgnya Technologies Foundation An Initiative under the National Quantum Mission (NQM), DST, Govt. of India
	Dr. V. Natarajan	Scientist - E SETS, Chennai
11:00 - 11:15	Networking & High Tea	
11:15 - 12:00	Theme 3 From Spec to Silicon: Building, Standardising and Securing Computing Systems	
	Prof. Chester Rebeiro	Dept. of Computer Science and Engineering Indian Institute of Technology Madras
	Shri. Kapil Shyam M	System Engineer, Mindgrove Technologies
	Shri. R . Hariprasad	Scientist - D SETS, Chennai
12:00 - 13:15	Keynote Talk: Dr.Subrata Rakshit Distinguished Scientist (Retd), DRDO and Chairperson, SETS, Advisory Board	
13:15 - 14:15	Lunch & Exhibition Visit	
14:15 - 15:00	Theme 4 Trends in Privacy Enhancing Techniques and Post Quantum Cryptography	
	Prof. Madhavan Mukund	Director, Chennai Mathamatical Institute (CMI)
	Prof. Shalabh Jain	Head, Security & Privacy, Centre of Data for Public Good, Indian Institute of Science (IISc), Bengaluru
	Dr. M. Prem Laxman Das	Scientist - F SETS, Chennai
15:00- 15:30	High TEA	
15:30- 17:30	Research Colloquium
